

**FENTANYL
AWARENESS
SUMMIT**

**Tuesday, 2/22/22
10:00 a.m. – 12:00 noon**

www.WestHawaiiCHC.org/DontDieHI

Fentanyl kills.

**DON'T
DIE
HIGH**

Fentanyl, a dangerous opioid implicated in fatal overdoses, is here on Hawaii Island.

It is mixed into other drugs, like street Xanax or party drugs without users' knowledge. It can be fatal in tiny amounts.

Join us for a free live ONLINE discussion to learn how to keep yourself, your 'ohana, and community safe.

Sign up for updates and the session link at www.bit.ly/dontdiehi

A video recording will be available for your convenience shortly after the event.
